EXPERIENCE

CodSoft   Kolkata, West Bengal
Web Development Intern   09/2024 - 10/2024

- Developed a Personal Portfolio, created a Landing Page, and built a Simple Calculator during my internship at CodSoft.
- Enhanced my web development skills and deepened my passion for the field.
- Successfully completed the internship and received a Certificate of Completion from CodSoft.

EDUCATION

APJ Abdul Kalam Technological University   11/2021 - 05/2025

Bachelor of Technology - BTech, Computer Science. CGPA – 7.69

C.V.K.M HSS   06/2019 – 03/2021

Higher Secondary Education, Computer Science. Percentage - 85.7

PROJECTS

React Weather App

https://react-weather-app-nine-nu.vercel.app/   10/2024 - 10/2024

- Built a weather application using React that fetches real-time weather data via an API. Implemented error handling to display user-friendly messages for invalid city inputs. Hosted on **Vercel**.

React to-do-list app

https://alanmathew190.github.io/React_to-do-list-app/   10/2024 - 10/2024

- Created a dynamic task management app with features to add, delete, and reorder tasks (move up/down) using React. Designed modular components for improved code structure and reusability. Hosted on **GitHub Pages**.

React Form-Validation App

https://alanmathew190.github.io/form-validation/   10/2024 - 10/2024

- Developed a responsive login and signup form with client-side validation for required fields, email formats, and password strength using React. Hosted on **GitHub Pages**.

MERN Stack Chat Application

https://github.com/alanmathew190/Chat-App.git   11/2024 – 01/2025

- Built a clean, user-friendly frontend with React, Tailwind CSS, and daisyUI. Developed backend messaging between users, and integrated real-time communication via WebSockets.

AgroConnect Full-Stack app   06/2024-02/2025

https://github.com/alanmathew190/AgroConnect.git

- Developed a full-stack web application using HTML, CSS, and Python Flask with MySQL as the database and Apache as the web server.

SKILLS

Languages	HTML, CSS, JavaScript, Java, C, Python
Frontend Tools	React, Vite, Node.js, CSS
Backend Tools	Node.js, Express.js
Version Control	Git, GitHub, GitHub Desktop
Deployment	Vercel, GitHub Pages

CERTIFICATES

- Responsive Web Design Certification - freeCodeCamp, February 2024.
- Project Based Virtual Internship Certificate - CodSoft, October 2024.
- JavaScript Algorithms and Date Structures (Beta) Certification - freeCodeCamp, December 2024.
